### **Important Notice From Ohio Carpenters' Health Fund About Your Prescription Drug Coverage and Medicare**

Please read this notice carefully, and keep it where you can find it. This notice has information about your current prescription drug coverage with Ohio Carpenters' Health Fund and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are three important things you need to know about your current coverage and Medicare's prescription drug coverage.

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Ohio Carpenter's Health Fund has determined that the prescription drug coverage offered by the Ohio Carpenters' Health Fund is, on average for all plan participants, NOT expected to pay out as much as the standard Medicare prescription drug coverage pays. Therefore, your coverage is considered Non-Creditable Coverage. This is important because, most likely, you will get more help with your drug costs if you join a Medicare drug plan, than if you only have prescription drug coverage from Ohio Carpenter's Health Fund. This also is important because it means that you may pay a higher premium (a penalty) if you do not join a Medicare drug plan when you first become eligible.
3. You can keep your current coverage from Ohio Carpenter's Health Fund. However, because your coverage is non-creditable, you have decisions to make about Medicare prescription drug coverage that may affect how much you pay for that coverage, depending on if and when you join a drug plan. When you make your decision, you should compare your current coverage, including what drugs are covered, with the coverage and cost of the plans offering Medicare prescription drug coverage in your area. Read this notice carefully - it explains your options.

### **When Can You Join A Medicare Drug Plan?**

You can join a Medicare drug plan when you first become eligible for Medicare and each year from November 15th through December 31st.

However, if you decide to drop your current coverage with Ohio Carpenters' Health Fund, since it is employer/union sponsored group coverage, you will be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan; however you also may pay a higher premium (a penalty) because you did not have creditable coverage under the Ohio Carpenters' Health Fund.

## **When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?**

Since the coverage under Ohio Carpenters' Health Fund is not creditable, depending on how long you go without creditable prescription drug coverage, you may pay a penalty to join a Medicare drug plan. Starting with the end of the last month that you were first eligible to join a Medicare drug plan but did not join, if you go 63 continuous days or longer without prescription drug coverage that is creditable, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following November to join.

## **What Happens To Your Current Coverage If You Decide To Join A Medicare Drug Plan?**

If you decide to join a Medicare drug plan, your current Ohio Carpenters' Health Fund coverage will not be affected. Once you retire and are no longer an Active Participant, you and your dependents no longer receive prescription drug coverage under the Ohio Carpenters' Health Fund. However as a result of the relationship between the Ohio Carpenters' Health Fund and Medco, the prescription benefit manager for Active Participants, Medco provides a discount card to all retirees under the Ohio Carpenters' Health Fund. You will still be eligible to receive this discount drug card as well as all of your current health benefits if you choose to enroll in a Medicare prescription drug plan.
